

## Signal Box 2014

Twelve (12) artists responded to the signal box call for artists. Nine (9) were selected by the Public Art Committee on May 19, 2014. Carola Nan Roach had been selected in 2013 and will be donating her time to paint the California and Arlington signal box. The Public Art Committee wanted Vaka and Sarah to paint their wolf proposal at the intersection of Maple and Virginia. The remaining eight (8) selected artists have been given the list of signal boxes. Our public art technicians will be painting over the signal boxes and prepping them for the artists during the first two weeks of June. The boxes should be complete by the end of June/beginning of July.
